

# Faith2Share Leadership Consultation 2017

**Chiang Mai, Thailand  
8-12 October 2017**

## Living to share faith

Exploring patterns of missional discipleship  
in contemporary contexts

- **Leaders' Retreat** (by invitation) 6-8 October
- **Mission Consultation** – 8-12 October
- **Linked with *Abide & Bear Fruit* (Vision 5:9) Consultation** (12-18 October)
- **Fellowship, Prayer and Worship**

Faith2Share is a growing network of international Christian mission agencies who are all committed to :

**Discipleship:** seeing children, women and men following Jesus.

**Collaboration:** sharing the resources that God has given to each of us – people, information, training materials, funding, ideas and prayer.

**Emerging Mission Movements:** encouraging the establishment of and partnering with new mission movements as God raises up His people globally.

## Thailand

is a fascinating context for reflection on how we live lives that share our faith in God. With deep roots in Buddhist faith the Thai people have often been highly resistant to Christian mission but generously open to receiving visitors and welcoming peoples of other faiths. It is no accident that Chiang Mai has become one of the major epicentres of Christian mission to Asia. Living amongst lush forests, white beaches, beautiful islands and plenty of sunshine, Thai people are gentle, deeply loyal to their monarchy, industrious and yet also flawed by cultural traits such as prostitution – now sadly exploited on a major scale by Western tourism. This nation needs to know Jesus but first it needs friends who will show them Jesus in the lives they live amongst them. As you prepare to join us in Chiang Mai please pray for the people of this nation.

## Lanna Palace Hotel

The consultation will be hosted at the Lanna Palace Hotel in the heart of Chiang Mai and very close to the old walled city. Lanna Palace Hotel is used to receiving Christian conferences and also hosts two Christian congregations each Sunday. Participants will be hosted in shared twin bedrooms with the option of a single room on payment of an additional supplement to the registration fee. All meals are included and conference sessions will take place in the hotel conference rooms. Wi-fi, air conditioning and a swimming pool are all available.
